ASDQMS is Happy to Announce Our Revamped Website!

Source: Advanced Systems & Designs, Inc. (ASDQMS)
Dated: May 17, 2012

Advanced Systems & Designs, Inc. (ASDQMS) has completely overhauled the company website, and has also added an online store to make purchasing data collection interfaces even easier!

ASDQMS took the phrase "spring cleaning" to the World Wide Web and decided to clean up and completely revamp the company website. Now when you go to www.spcanywhere.com, you will find a brand new website – new layout, new content, and our biggest new addition, an online store!
 http://www.spcanywhere.com

 The ordering process is simpler and faster than ever before. You can now get real time pricing and purchase all the items you need with just a click of the mouse, eliminating the need for the information gathering, quoting, and purchase order process. Product information (video demonstration, product features and specifications, etc.), part numbers, and pricing are all located on one webpage. Need to collect data from several different gages and connect it directly to you computer via keyboard with our GageMux USB Keyboard, or convert your gage's output to digimatic with our Flash Cables? Just add the products to your cart and purchase immediately! Any day of the week, any time of the day. The new ASDQMS website is a one stop shop for all your data collection interface needs.

 Also featured on our new website is our recent arrival on the social network scene! You will be able to connect to the ASDQMS LinkedIn, Twitter, Facebook, YouTube, and even YouKu (Chinese YouTube) accounts via convenient icons. Connecting to these social media outlets will keep you up to date and in the loop about the latest ASDQMS news, projects, products, and promotions.

 Keep an eye on ASDQMS on the Web! And remember, if you need one of our SmartCables, GageMuxes, Flash Cables, Keyboard products, Genesis units, you name it – you can now purchase them on the new website at www.spcanywhere.com!

 ASDQMS (Advanced Systems & Designs, Inc.) and its 25 years experience in data-collection application and integration can help you eliminate the high cost of inconsistent quality by controlling your shop floor with SPC Software, Gage interfaces, Genesis Roving Data Collectors, Wireless Data Transfer and Gage Cables. Contact one of our consulting engineers, right now, to find out how ASDQMS can help your company. Contact the corporate offices at 248-370-9919.

 You may visit ASDQMS on the Web at http://www.spcanywhere.com, and visit ASDQMS's TV Network at http://www.youtube.com/asdqms.
